As of 3/6/17 we are NOT buying stalls back -

If anyone has stalls for sale please post on the Panty Raid 2017 Event Page - should we hear of any for sale we will get in contact with anyone on the waiting list first.

You will have to try to buy stalls on the event page or our Facebook page by watching who has them for sale.

If you buy a stall it will remain in the name of the original person who bought the stalls.

Remember If you are not on this list and you sent in for stalls then you were on the waiting list.

If you sent in a money order and were on the waiting list we have sent you back a check

If you were on the waiting list and you sent a check or cc info we will / have put those in the shred!

If you have questions or see something jacked up let us know and we will tend to it.

Now you know your name might be a little jacked up so look twice before calling that you are not on it.
